

Flag Poles

GM Poles supplies large steel flag poles complete with ropes and pulleys to enable easy operation. Poles are tapered steel and hot dip galvanized for durability. They can also be powder coated or painted in the colour you require. Pole heights are 18.0m – 30.0m and above depending on customer's requirements. Every product supplied by GM Poles is designed and certified by an Australian Registered Engineer.

GM Poles also offers:

- Foundation Cages/Bolts
- Engineer certified foundation design
- Soil Testing
- Installation of footing
- Erection of pole
